

## Shasta Head Start Alumni

### Scholarship 2022

(in honor of Eva Johnson)

#### Purpose

Head Start is a federally funded program established over 52 years ago to provide early childhood health and education services to children and families living in poverty. Shasta Head Start has been serving low income families in three Northern California counties since 1965.

Each year Shasta Head Start presents a scholarship to one graduating high school senior who is an alumnus of a Head Start program and is planning to continue their education in a college, university, or technical school setting. The Shasta Head Start Alumni Scholarship was established in memory of Eva Johnson. Eva was a child care provider for many years, a dynamic leader in the Martin Luther King community, and served on Shasta Head Start's Board of Directors. She was a true friend to children everywhere, no matter what their background.

The purpose of the Shasta Head Start Alumni Scholarship is to recognize alumni of Head Start in academic achievement and school and community involvement. Our goal is to encourage high school seniors to pursue postsecondary education in a public or non-public college, university, or technical school. We award one \$1,000 scholarship to a high school graduate, graduating from a high school located in either Shasta, Siskiyou, or Trinity County. For the academic year of 2021-2022, the \$1,000 Eva Johnson Memorial Scholarship is being sponsored by the Redding Bank of Commerce. This is a competitive scholarship.

The scholarship may be used to directly reimburse tuition and other costs and fees associated with postsecondary education. The Shasta Head Start Alumni Scholarship will be distributed directly to the student. Scholarship recipients will be honored at the award ceremony at their high school.

## Eligibility

Applicants must be high school graduates that are alumni of Head Start, who intend to enroll in a postsecondary institution, which may be a public or non-public university, college, or technical school. Applicants must be able to provide documentation of the year and location of the Head Start Program they attended as a preschool child.

## Selection Criteria

Applicants will be evaluated on their application, academic achievement, school and community involvement, references, and written essay.

Applicants will be evaluated on ability to articulate goals in four areas: future educational goals, community service goals, personal life goals, and career goals.

The recipient is required to write a short letter of thanks to the Redding Bank of Commerce. The donor will enjoy learning more about you and how the scholarship has helped you. The recipient's thank you note should be sent to Shasta Head Start for forwarding to the Redding Bank of Commerce.
